Art Unit: 2625

1. Claims 1-6 are pending. Claims 1 and 6 are independent.

The amendment filed August 23, 2007 has overcome the objection to claim 6.

2. This application is in condition for allowance except for the following formal matters:

In claim 1, line 17, "even-numbered positions" should read – odd-numbered positions --. Please see "even-numbered positions" on line 13 in the language of the claimed "a second outputting device". See also the specification, paragraph 0018 (page 6).

Claim 1 is objected to in this Office action. Claims 2-5 are objected to as being dependent on objected claim 1.

The examiner regrets not finding the above error at the time of the previous Office action.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 25 USPQ 74, 453 O.G. 213, (Comm'r Pat. 1935).

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

3. The following is an examiner's statement of reasons for allowance:

Claim 1 would be allowable over the prior art of record because the closest prior art Kimura et al. (U.S. Patent No. 5,767,901), cited in the IDS filed April 24, 2006, does not teach a data writing apparatus comprising the claimed "pixel data outputting device", "calculating device", "address setting device" and "writing device", in combination with other limitations of claim 1.

Claims 2-5 depend on claim 1.

Claim 6 is allowable over the closest prior art of record Kimura (U.S. Patent No. 5,767,901) because Kimura does not disclose a combination of the claimed "pixel data outputting device" and "writing device" of the image reading apparatus, and "a restoration outputting device" of the image processing apparatus, in combination with other limitations of claim 6.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
